

EDUCATION SECRETARIAT

Accords approval to prescribe 'D. Met.' as the title for the award of Diploma in Metallurgy.

READ—

1. Government Letter No. ED 96 TPI 66, dated 11/12th August 1966.
2. Letter No. EPS-1/6418, dated 17th/21st January 1969 of the Director of Technical Education in Mysore, Bangalore.

PREAMBLE—

In the Government letter dated 11/12th August 1966 read at (1) above, the syllabus and scheme of examinations for the Diploma Course in Metallurgy have been approved by Government.

2. The Director of Technical Education in Mysore, Bangalore in his letter dated 12th January 1969 read at (2) above has stated that the first examination for the third year Diploma students in Metallurgy was conducted during April—May 1968 and the Diplomas have to be issued to the successful candidates and the title has to be indicated in the Diplomas to be issued and that the Board of Technical Examinations has resolved in its meeting held on 18th December 1968 to prescribe 'D. Met.' as the title for the award of Diploma in Metallurgy. Accordingly the Director of Technical Education has recommended to prescribe 'D. Met.' as the title for the award of Diploma in Metallurgy.

ORDER No. ED 22 TPI 69, DATED BANGALORE, THE 26TH FEBRUARY 1969.

Government are pleased to approve the proposal of the Director of Technical Education in Mysore, Bangalore.

By Order and in the name of the Governor of Mysore,

429

L. G. DESAI,

*Under Secretary to Government,
Education Department.*
